

Western School District
STUDENT/PARENT IPAD AGREEMENT 2018-2019

Student Name: Last _____ First _____

Parent Name: Last _____ First _____

Address: _____

Home Phone: _____ Work Phone: _____

Parent Email Address: _____

The Western School District one to one iPad program allows your child to take the iPad home. Taking the iPad home expands the learning day and allows students to complete projects started at school. However, by taking the iPad home, families assume some risk. Parents/Guardians will be responsible for replacement/repair in the event of theft, loss or damage due to intentional or unintentional abuse or misuse of the iPad.

Replacement cost for the iPad is based on current market value at the time of replacement.

I have reviewed the iPad Handbook (available on the Middle School and High School home pages) for Students and Parents and understand the Rules and Guidelines for appropriate use:

- | | | |
|------------------------|------------------------------|---------------------------------|
| • Goals | • Financial responsibilities | • Equipment |
| • Student Expectations | • Honor Code | • Student/Parent iPad Agreement |

Terms of Agreement: The student is responsible at all times for the care and appropriate use of their assigned iPad. I understand that if my child violates the guidelines agreed to in the District Technology Honor Code or the rules and guidelines as explained in the iPad Handbook for Students and Parents, his/her privilege to take the iPad home may be restricted or removed and he/she may be subject to disciplinary action.

Please select one of the three options below:

___ **Option 1: Opt Out of District Coverage. NO INSURANCE.** I understand that a single glass repair is \$90. By opting out of the insurance plan, I agree to be responsible for paying up to the full cost of device replacement for loss, damage, or for repair of my child's iPad, per incident, as determined by school administration.

___ **Option 2: Insurance Plan \$40.00.** I understand that I am responsible for paying the non-refundable enrollment fee of \$40.00. I am also required to pay a deductible per incident (1st-\$0, 2nd-\$25, 3rd-\$50, 4th-\$100) towards damage or repair of my child's iPad. (See complete details in the Student/Parent handbook.) **This plan does not cover loss or theft.**

___ **Option 3: Opt out of the 1:1 Take Home Program.** I understand that my student will have access to their iPad at school, and that the device shall remain at school at all times. I understand standard disciplinary policy will be followed in the event of damage to the equipment, including the possibility of financial restitution for damage or loss. Students may enroll in the insurance plan for \$40.00 if they desire while remaining enrolled in the Option 3 plan (without take home privileges) to protect against damage to the device while at school. If the insurance is not selected, any damage to the device while at school is the student's and parent's financial responsibility.

I wish to purchase the \$40 insurance plan for my Option 3 student. The iPad will be covered by this insurance for damage that may occur while at school. **Loss and theft are NOT covered.** Deductibles described under Option 2 apply.

None of the options cover damage to the charger brick (\$20), charging cord (\$20), or case (\$20).

The iPad remains the property of Western School District. At the end of the school year or upon transfer from the district, parents and student agree to return the iPad to the school in the same condition it was issued to the student less reasonable wear.
